Subject: RE: 10632645 raw sequence listing

Brian,

STIC keeps the back page of all our sequence reports. It contains information we use for internal STATS.

Thanks,
Mark

Subject: 10632645 raw sequence listing

Mark,

Page 8 is missing from raw sequence listing 6/14/06. How do I obtain page 8? Is there a page 8? The copy center sent will not send this application out without page 8.

Thanks

Brian Whiteman
